ASSIGNMENT DOC.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Whereas, we Bryan Daniel Powrozek of 2237 Hunters Court, Sterling Heights, MI. 48310, and Michael Andrew Sluraba of 8223 Snowapple Drive, Clarkston MI. 48346, have invented certain new and useful improvements for which we are about to file an application for Letter Patent with the U.S. Patent and Trademark Office entitled.

SELF-ADJUSTING ELECTRIC PARK BRAKE WITH MANUAL RELEASE

And which is assigned attorney docket no. DUR-114 (we hereby grant our Attorney at the LAW OFFICE of JOHN R. BENEFIEL, the power to insert on this assignment document the (Application serial no. 10/811,059 filed on March 26, 2004).

Whereas, Dura Global Technologies, Inc., (hereinafter "Dura"), a corporation organized and existing by virtue of the laws of the State of Michigan, having a place of business at 2791 Research Drive, Rochester Hills, Michigan 48309, County of Oakland, Michigan, is desirous of acquiring the entire right, title, and interest in the same invention, application, and patent.

NOW and THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we by these presents do sell, assign and transfer to Dura full exclusive right, title, and interest in the United States and throughout the world, in and to and under said improvements and inventions and patents, and we hereby request the Commissioner of Patents to issue said Letter Patent to Dura, as the assignee.

We further convey to said assignee the right to make the application in its own behalf for protection of said invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said United States application (or other application if any there be) in priority to other applications: and we do hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will at any time upon request, without further or additional consideration, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making the application for and obtaining original, divisional, renewal, reissued or extended Letter Patent of the United States or of any and all other countries on said invention, and in enforcing any rights or causes of action occurring as a result of such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and insure the benefit of, the assigns and legal representatives of both parties.
